REASON FOR TAKING UP CORPORATE FIGHTER

I've wanted to learn to box and get in the ring since I was a kid but never had the chance. I couldn't think of a better opportunity given it's for a good cause and I'm turning 30 in August!

Taking myself out of my comfort zone, doing something new and challenging, and committing to it for 10 weeks was an appealing mix of fun, as well as being daunting.
